Mr. Mehl,

After reading the Staff Evaluation and proposed Executive Order, it would appear that the County would need to condition the Soitec project to obtain the carbon credits prior to commencement of the project. Please let me know if that is also what ARB anticipates.

Attached for your review and comment are drafts of the staff analysis and Executive Order for the Soitec Solar AB 900 application. Please review and let me know if you have any comments or concerns by COB today so that I can move this to my management.

Thanks, Dave
